(\*)Applications with explicitly exposed contribution of the Bavarian and the Californian Partner are preferred.

(\*\*) The total funding – if approved – will be available for **18 months** maximum. It starts **July 1<sup>st</sup>** for April applications and **January 1<sup>st</sup>** for October applications respectively. It will be split into two years and extra defined for each calendar year. So the application must be displayed for each calendar year separately. Unused financial means are retracted at the end of each calendar year.
